In requesting references about any software vendor - you may want to inquire about some of the following items:

- Integrity of the vendor, management, & employees.
- Competency of Support Staff
- Number of Support Calls needed for normal system maintenance.
- Software support calls and responsiveness - What does it take to talk to a programmer
- Vendor responsiveness to Special Requests and Needs.
- Software capabilities to do things like Ad-hoc reports.
- Transaction Entry Speed and accuracy.
- Ability to Control - In-house processes such as Statements, Credit Bureau & IRS Reporting, etc.
- Additional costs & mark-up percentages for Equipment purchases
